Welcome to the Gupta Diagnostic Clinic, Burla, Sambalpur. For the first time in Western Orissa you and your family can have access to specialist diagnostic facilities that until now, have only been available at a large hospitals and quite a distance away in bigger cities, which resulted in delay in treatment.

The Gupta Diagnostic Centre provide a full range of diagnostic services.

We have state of the art technology available to help your doctors make a fast diagnosis and to begin your treatment as quickly as possible.
